Institute New Services.)

On March 2, 1970, Greyhound Airport Service, Inc., filed Supplement No. 1 to its WMATC Tariff No. 11, which contained two new services to be effective April 1, 1970. In Order No. 1023, issued March 31, 1970, we suspended that portion of Supplement No. 1 dealing with the institution of a special express service between Washington National Airport and the vicinity of 15th and E Streets, N. W.

A hearing on the Supplement No. 1 express service was scheduled for April 30, 1970. Greyhound Airport Service, Inc., by letter dated April 16, 1970, has requested that that hearing be postponed due to inability of counsel to attend and its expectation that it will file a complete revision of its tariff in the near future. All parties in this proceeding have been notified of the requested postponement and none have expressed objection.

THEREFORE, IT IS ORDERED that the hearing on this matter scheduled for April 30, 1970, be, and it is hereby, postponed to a date to be set at a future time.
